Re: Jim Wells County Fair Association Scholarship Applications

The Jim Wells County Fair Board is pleased to be able to offer up to three scholarships to graduating seniors from each of the schools in our county. One of the most important requirements for applying for this scholarship is that the student must have participated in the Jim Wells County Fair at some point.

Please make copies of the enclosed scholarship application form and make those copies available to any interested senior member of your student body or organization who has participated in the fair.

It is very important that these forms be filled out completely and that the essay is included with the application. Please encourage your students/members to do their very best in providing the information that has been requested.

The committee has set a postmark deadline of September 30th for applications. This deadline **MUST** be met in order for the Scholarship Committee to meet and review the applications before selecting the recipients. If an interview should be necessary, the interview will be held on Tuesday, October 20th at the Jim Wells County Fairgrounds. Applicants will be contacted with the time and location of the interview.

Scholarship winners will be announced during our awards ceremony at 1:00 p.m. on Saturday, October 24, 2009 held in the Jim Wells County show arena

Thank you so much for the work you do with the youth of our County. All of us from the Jim Wells County Fair Association appreciate it very much!

Sincerely yours,

Jim Wells County Fair Board Scholarship Committee:
